**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a happy and loyal customer to a smaller competitor to the two giant national ISPs. This smaller competitor is better than either of the other providers on pricing (a better deal for what I want and use), customer service (I can ALWAYS speak to a human when I need help), and data privacy and security (they won't sell my data EVER). I have friends and coworkers waiting for this smaller competitor to somehow make it to their neighborhoods, and if the FCC won't protect competitive providers then they'll all be stuck with high prices and horrible service from one of the two big ISPs.
